CONFIGURATION
REQUIREMENTS

Adobe® Reader or Microsoft® Word Installation
Required

PLATO Achieve Now K-3 Reading requires the use of Adobe® Reader or Microsoft® Word on your workstation in order to display the Dibbles alignment file.

If you do not have Microsoft Word installed on your workstation, you can download Adobe Reader at no charge from the Adobe web site at <http://www.adobe.com>.

Before you download and install Adobe Reader, you must have administrative privileges to the workstation and close all open programs.

Windows 2000/XP users must have **administrative privileges** to the local workstation or be set up as power users in order to install Adobe Reader. Please see your network administrator if you need help.
